

Summer Interns Eligible to Apply for \$5,000 Scholarship through the SFAA Foundation

If your company is hiring an intern for the summer they may be eligible for a **\$5,000 academic scholarship** through the SFAA Foundation's Intern & Scholarship Program! The program was created to encourage underrepresented college students to consider the surety and fidelity industry as a career of choice.

Upon completion of a paid internship, students are eligible to apply for a \$5,000 academic scholarship. **In 2021, a total of 17 scholarships were awarded for a total of \$85,000!** The program is funded and administered by the SFAA Foundation, a 501(c)(3) organization established to increase diversity within the surety and fidelity industry.

For more information visit the program's [web page](#) or contact Lindsay Graham at lgraham@surety.org. Scholarship applications will be due on August 1, 2022.

ASCS Intern Rotation Program - (AIR)

WHAT TO EXPECT

We are currently seeking interns to join our ASCS Intern Rotation (AIR) Program in Chicago for the summer of 2022. This is an exciting opportunity for hard-working team players who want to make an impact in a fast-paced, entrepreneurial environment.

Between May and August of 2022, participants will spend 9 to 12 weeks fully immersed into the ASCS team and culture. The full-time, paid internship offers \$22/hr and will allow participants to work in up to three business rotations based on preferences and skillsets alongside dedicated and experienced program mentors. Participants will perform meaningful work that contributes directly to the success of the business. Possible rotations include:

Underwriting Operations	Actuarial Marketing	Data Analytics Compliance	Finance/Accounting Claims
------------------------------------	--------------------------------	--------------------------------------	--------------------------------------

Portillo's Risk Management Intern Summer 2022

WHAT TO EXPECT

You will be exposed to a broad variety of experiences in risk management and insurance including:

- Prepare insurance submission and make recommendations on appropriate carriers.
- Support claims handlers. Gather information and make recommendations on claim resolution.
- Participate in restaurant safety reviews and make loss control recommendations.
- Gather information and report on risk identification, measurement, mitigation, control testing and monitoring efforts.
- Take a course towards a professional designation (i.e. Certified Risk Manager (CRM), Associate in Risk Management (ARM), etc.).

The Summer 2022 internship will be 9-10 weeks at 40 hours per week. Oak Brook, Illinois office. Travel limited to Chicagoland area locations. Required final written evaluation survey at the end of the internship. Funding of this internship is made available because of the Spencer Educational Foundation. Find more details: [here](#).
